

Supplies Needed: Cardstock, Tape, Scissors, Tissue

1. Print all pages onto Card stock.
2. Cut out all pieces on page 1, 2 & 3.

BOOTH ASSEMBLY

1. Fold the sides of pages 2 & 3 into the middle. Fold the red portion of the page down taping the flaps on the outside of the side folds. Making two upside down L shapes. 
2. Fold the seat into a  shape and tape onto the insides of the assembled page 2 about 1-2 inches from bottom.
3. Tape the assembled pages 2 & 3 together inside & out.
4. Measure and cut your tissue and tape them to the back of the signs. Then tape the signs to the front and back of the photo booth doors.
5. Line up the photo strip to the black line on the booth then tape the flap.
6. Put your elf in through the bottom, with his/her hat poking through the oval.

cut along lines this is the photo booth seat
