

SCAVENGER HUNT

I can be opened or closed but I'm not a window.

I help keep out wind and rain and I am a PANE.

Where can you find something full of holes that can still hold water?

You have to break this before you can use it...and it likes to be cold.

I have a plug but I'm not a sink. I have a screen but I'm not a laptop.

I have a spine but not a face. I have a cover but I'm not a pillow.

I have four legs but I cannot walk.

I have a tongue but no mouth.

When it's time to sneeze, grab one of me, please!
