GREETINGS FRIENDS

You are the newest member of our brand new **Explorers Club**. Your first mission is to complete this adventure of activities. These activities have been hand picked by my Sasquatch friend Mr. Link... er... Susan, for you to enjoy.

The most important tools you'll need are your imagination and creativity. I guess you'll also need pens, pencils, crayons or markers, too. Oh, and be sure to ask an adult's permission if you need to use scissors, glue or a printer.

Once you've finished all of the activities please share your magnificent work with us! We always love hearing from our friends. Because friendship links us from across the world and in all of our adventures.

Yours Sincerely,

Sir Lionel Frost

Sir Lionel Frost

World's Greatest Monster Chaser

Oh Hi tiny friend person, it's me, Susan.
I'm just GROWLING with excitement that you're reading this.
I hope you have fun. Because if you smile, then I'll smile,
and then we'll both be smiling and that will make me smile
even MORE!

Like this!

READ WITH BOOKMARKS

Have an adult help print this page out on heavy paper and cut along the dashed lines. Use a ruler to help fold each bookmark down the center. Ensure the two sides fold together cleanly before gluing together.

MISSING
LINK

DOOR HANGERS

Print out both the front and back pages on a heavy weight paper such as a card stock. Using scissors, have an adult cut the shape out along the dashed lines. After both sides are cut out, carefully glue the blank sides together. Once the glue is dry, you may hang it on any door knob.

MEMORY GAME

Instructions

1. Print two sets of the memory card pages, so that you have two of each face card.
2. Have an adult carefully cut out each card along the lines indicated by the scissor symbols. DO NOT cut the dotted "FOLD" lines.
3. Fold in half and use glue or tape to attach the face to the back of each card.
4. Mix up the cards and lay them in rows, face down.
5. The first player turns over any two cards. If they match, then they keep the pair. If they do not match, then turn them back over and remember what they were.
6. Next player turns over any two cards, looking for matches.
7. Game is over when all of the cards have been matched.
8. Player with the most matched pairs wins.
